Enclosed you will find your ICC wallet card(s) verifying certification renewal in one or more given categories. Please confirm (for each card) that the proper category and name appear and report any discrepancies to us immediately.

You are among a preferred group of individuals. By complying with the maintenance requirements, you, as a certificate holder, will receive wider recognition of your achievement and your certificate(s) will have enhanced value.

Your ICC certification renewal is valid for a period of three years. To maintain the high credibility and recognition connected with this professional distinction, you must renew your certification every three years by participating in the ICC Certification Maintenance Program. The goal of the ICC Certification Maintenance Program is to help ensure public health and safety by promoting ongoing knowledge and expertise in the use of codes and standards. Evidence of continued learning, involvement and proficiency with the use of codes is required to maintain the certification.

Renewal of certifications is the responsibility of the certified individual. Please make sure you keep track of your renewal dates.

Thank you for your participation in the maintenance program.

Sincerely,

Certification Renewals
